Re: Resolution Approving Amendment #2 to the 2016/2017 City Budget

**Introduction and Background:**

At the May 4, 2017 meeting, the City Council set a public hearing for May 18 on the 2<sup>nd</sup> amendment to the current year City budget. Attached is the Resolution approving this 2<sup>nd</sup> amendment. City Council approved the first amendment to the 2016/2017 budget on March 2, 2017. That action amended the budget to the Revised Estimate levels established at the budget review sessions.

This second amendment includes additional proposed amendments since that time. This proposed amendment will increase total budgeted expenditures for the City by \$602,500 and transfers out will increase by \$92,500. Of the total expenditure amendment \$148,400 (24.6%) is to repair damages caused by the March 6, 2017 tornado. Budgeted revenues are proposed to be amended by \$177,900 and transfers in by \$92,500. The revenue amendment includes a total of \$133,400 in insurance reimbursements for tornado damages (costs less deductibles). Of the overall requested expenditure increase, General fund amendments total \$327,600, enterprise fund amendments total \$196,900, special revenue \$5,000, and trust funds \$73,000.

General Fund expenditures are proposed to be amended by a total of \$327,600. This is higher than the increases in the 2<sup>nd</sup> amendments for recent years. The 2<sup>nd</sup> amendment to the 2015/2016 budget was \$81,900, it was \$13,000 for 2014/2015, and it was \$160,100 for 2013/2014. The 2016/2017 amendments include: (1) an increase of \$120,000 in general government expenditures for legal costs, (2) a \$1,500 increase in the Building and Grounds budget for building repair costs partially reimbursed by MP&W, (3) a \$41,600 increase in the Police budget for Special Response Team equipment funded 100% by an outside contribution, (4) a \$40,000 increase in the Fire department budget for medical services for two on-the-job injuries and retiree medical costs, (5) a \$43,400 increase for tornado damages in Kent Stein Park and the Soccer Complex, and (6) an \$81,100 increase in the Snow & Ice Control budget for purchasing salt for next winter from the City of Davenport. The salt budget for 2017/2018 budget will be eliminated by purchasing Davenport's excess inventory this year. There were also offsetting increases and decreases in the Roadway Maintenance and Snow & Ice Control budgets due to the mild winter.

Enterprise fund expenditure amendments total \$196,900 and include (1) \$95,000 for tornado damages to the boat harbor with this amount to be reimbursement by insurance, (2) \$35,000 in increased vehicle and equipment maintenance costs in the Refuse Collection fund, (3) \$5,000 for increased maintenance costs in the Transfer Station fund, (4) \$10,000 in increased irrigation pump repair costs at the Golf Course, (5)

**"I remember Muscatine for its sunsets. I have never seen any  
on either side of the ocean that equaled them" — Mark Twain**

\$25,500 in the Collection & Drainage fund for increased sewer repairs on East 5<sup>th</sup> Street and increased legal fees, (6) \$2,000 for increased WPCP Lab overtime costs, and (7) increases totaling \$24,400 in the City's public housing programs which includes \$10,000 in tornado damages which is the amount of the housing insurance deductible.

The balance of the amendments are in (1) the Police Forfeitures fund (\$5,000), (2) Library Trust fund (\$60,000), and (3) Art Center Trust funds (\$13,000). The total amendment of \$602,500 is \$188,700 less than the total of amendment #2 for the 2015/2016 fiscal year of \$791,200.

**The proposed General Fund expenditure amendments would result in a decrease in fund balance of \$165,400. It is, however, expected that there should be savings in various General Fund department budgets which will offset all or a portion of this amount. For the City's Governmental Funds (primarily the General Fund), expenditures are required to be within the budget for each functional area. This amendment allows for somewhat of a "cushion" for increased costs so the budgets for the various functions are not exceeded at year end.**

**It should also be noted that although it currently appears that several departments will be well under their budget amounts, we traditionally have not amended those budgets downward to offset increases in other departments. With two months remaining in the fiscal year, the actual amounts that those budgets may be under budget cannot be determined, especially if those departments have unforeseen costs before year end.**

**Summary:**

As noted previously, the total proposed amendment of \$602,500 is \$188,700 less than the total amendment of \$791,200 in 2015/2016.

The General Fund amendment for 2016/2017 of \$327,600 is \$245,700 higher than the 2015/2016 2<sup>nd</sup> amendment of \$81,900.

The total 2<sup>nd</sup> amendments and the General Fund amendments in the past six years were as follows: (1) 2015/2016 total 2<sup>nd</sup> amendment of \$791,200 with \$81,900 in the General Fund, (2) 2014/2015 total 2<sup>nd</sup> amendment of \$632,500 with \$13,000 in the General Fund, (3) 2013/2014 total 2<sup>nd</sup> amendment of \$1,115,800 with \$160,100 in the General Fund, (4) 2012/2013 total 2<sup>nd</sup> amendment of \$370,700 with \$93,300 in the General Fund, (5) for 2011/2012 the amendment totaled \$945,360 with \$65,500 in the General Fund, and (6) in 2010/2011 the 2<sup>nd</sup> amendment totaled \$374,200 with \$202,100 in the General Fund. In each of those years the actual balances for the General Fund exceeded the revised estimate projected fund balances at year end.

**Recommendation:**

Please include the attached resolution approving Amendment #2 to the FY 2016/2017 City budget on the agenda for the May 18, 2017 Council agenda. Please contact me if you have any questions.
