Re: Resolution Approving Sidewalk or Street Café Easement Agreements for Avenue Subs and Boonies on the Avenue

INTRODUCTION: Avenue Subs, 113 Iowa Avenue, and Boonies on the Avenue, 214 Iowa Avenue, have applied to use public right-of-way for the purposes of outdoor dining under the provisions of Section 3-1-6 of City Code.

BACKGROUND: Avenue Subs is proposing four tables on the sidewalk in front of its restaurant at 113 Iowa Avenue. This outdoor dining structure has been placed in the same location as in prior years.

Boonies on the Avenue is proposing dining on a raised platform on two on-street parking spaces directly in front of its restaurant. This will be identical to the outdoor dining that occurred at this location last year.

In July of 2015, the pilot program was made permanent with the addition of Section 3-1-6 to City Code. This new section governs the process for approving and the operational conditions for outdoor dining in the public right of way. The attached easement agreement reflects all the requirements of this Section of City Code.

As specified by Section 3-1-6, the easement agreement is only good for one year, with on street dining be allowed to occur between April 1st and October 15th. To operate in future years the applicant will be required to obtain a new easement agreement on a annual basis.

RECOMMENDATION/RATIONALE: Staff recommends approval of this resolution.
