RE:

Request Approval for Purchase of Service Van for Building & Grounds

INTRODUCTION:

During the 2018/2019 budget process, Building and Grounds was granted \$25,000.00 for the purchase of a used service van. At this time Kreiger's of Muscatine has on their lot a new 2018 service van and quoted a price to the City of Muscatine of \$23,890.

BACKGROUND:

Building and Grounds uses service vans to carry tools and equipment to multiple locations to make repairs and deliver supplies to almost all city-owned buildings. The previous van rusted to the point that it was no longer usable and was not able to be repaired. It was listed and sold at the last surplus auction.

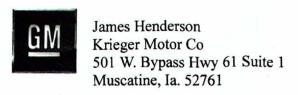

RECOMMENDATION/RATIONALE:

Staff recommends that Council consider moving this budget item from the Fiscal Year 2019 budget to the Fiscal Year 2018 Revised budget so that the new vehicle can be purchased from a local vendor at a lower price than a used vehicle. This request has been reviewed by the City Finance Director who confirmed that the fund balance in the Equipment Replacement Reserve is sufficient to fund this purchase in the current year.

If City Council concurs with moving the budget allocation to the current fiscal year, it is requested that Council authorize the issuance of a purchase order to Kriegers in the amount of \$23,890 for the purchase of this van.
