MEMORANDUM

To: Mayor and City Council Members

Cc: Gregg Mandsager, City Administrator
Dave Gobin, Community Development Director

From: Adam Thompson, Community Development Coordinator

Date: October 17th, 2016

Re: Request to Accept Grant Agreement

INTRODUCTION: The Muscatine Municipal Airport annually submits a 5-year Capital Improvement Plan (CIP) as a part of the Airport Improvement Plan (AIP) that is required for the City to seek federal and state funding for improvements. Since the Muscatine Municipal Airport is a non-entitlement airport, the City must compete for state DOT funding with all other non-commercial airports.

BACKGROUND: The City was notified that the Iowa DOT had approved the application to T-Hangar Design and Apron expansion project, as requested. Funding under this program is provided by a split of 85% state and 15% local funding. The Grant Agreement will permit the city to design all phases of the project and construct the first phase of t-hangar apron with a total state funding allocation of \$212,474.00. The local match totals \$37,500.00, for a total project cost of \$249,974.00.

An engineering consultant has not been selected yet. Request for Qualifications (RFQ) have been released and submittals are due October 21st with the goal of contracting an engineer at the November 3rd Council Meeting

It is staffs goal to bid the Phase I Apron Expansion project in February 2017. Construction is anticipated to begin in the Spring of 2017. Local funding for this project is being added to a future bond issue.

RECOMMENDATION/RATIONALE: It is recommended that the attached Grant Agreement be approved by the City Council during their October 20th, 2016 meeting.

A TSB is a small business, as defined by Iowa Code Section 15.102(5), which is 51% or more owned, operated and actively managed by one or more women, minority persons or persons with a disability. Generally this is a for-profit small business enterprise under single management, is located in Iowa and has an annual gross income of less than 3 million dollars computed as an average of the three preceding fiscal years.

2. TSB REQUIREMENTS

These requirements are based on Iowa Code Section 19B.7 and 541 Iowa Administrative Code Chapter 4. These requirements supersede all existing TSB regulations, orders, circulars and administrative requirements.

It is the policy of this firm that Targeted Small Business (TSB) concerns shall have the maximum practical opportunity to participate in contracts funded with State-assisted funds which are administered by this firm (e.g. suppliers, manufactures and subcontractors). The purpose of our policy is to encourage and increase the TSB participation in contracting opportunities made available by State-assisted programs.

5. CONTRACTOR SHALL APPOINT AN EQUAL EMPLOYMENT OPPORTUNITY (EEO) OFFICER

For example, leasing equipment or purchasing materials from the prime contractor would not count.
