

MEMORANDUM

TO: Gregg Mandsager, City Administrator  
FROM: Richard Klimes, Director of Parks and Recreation *RK*  
DATE: August 9, 2013  
RE: Request to Approve to Purchase Order For Aquatic Center Painting

INTRODUCTION:

Please accept this memo and the attached information as a request for approval of a purchase order to paint the Aquatic Center pool basin as requested and approved during the recent budget process.

BACKGROUND:

The requested painting project as explained in the attached memo from Matt Beatty, Program Supervisor is for the Muscatine Aquatic Center pool basin. The area needs to be painted roughly every five years in order to prevent a deterioration in the paint causing chalky water and thus reducing the visibility in the water.

RECOMMENDATION:

The City's Purchasing Policy was used to solicit for qualified responsive and responsible vendors to submit bids as specified.

We received four (4) bids that met the minimum requested specifications. The bid results are on the attached memo from Matt Beatty. At this time, the City Staff would recommend that the City Council approve a purchase order in the amount of \$19,600.00 to Dreyer Painting.

The FY 2013-14 Budget had \$25,000.00 approved for this piece of equipment.
