Re: Ordinance to Approve Residential Refuse Collection Rates Effective July 1, 2018 and to Amend Title 13, Chapter 3, Section 11 to Provide that Future Refuse Collection Rate Changes be done by Ordinance

Introduction and Background:

Title 13, Chapter 3, Section 11 of the Muscatine City Code currently provides for the establishment of Refuse Collection Rates with the fees therefore to be set by Resolution of the City Council. The recently adopted City Budget for Fiscal Year 2018/2019 includes an increase in the monthly rates for residential refuse collection services from the current \$20.00 per month for regular residential customers to \$20.50 and for senior customers (65 years of age and over) from \$15.00 per month to \$15.50. The City Council approved the resolution with this rate increase at the April 19, 2018 meeting.

In prior years the City of Muscatine set refuse rates by resolution. Based on recent court cases and out of an abundance of caution, the City Attorney has now advised that utility rate changes be adopted by ordinance instead of resolution. The attached ordinance provides that rate changes be done by ordinance going forward and also sets the refuse collection rates effective July 1, 2018.

Recommendation:

Please include the attached ordinance on the agenda for the June 21, 2018 meeting. It is proposed that the first reading of the ordinance be considered at that meeting and that City Council consider adopting the ordinance on 2nd and final reading at the July 5, 2018 meeting. Please contact the City Administrator or me if you have any questions.
