RE: Request to Purchase High Speed Cooking Oven

Introduction:

Please accept this memo as a request to purchase a high speed cooking oven for the Municipal Golf Course Clubhouse.

Background:

Expanded food menu items at the Clubhouse have been requested by the golfing public, the Recreation Advisory Commission Members and by the City Council. The acquisition of this item will allow the City to expand the menu to include french fries, onion rings, pizza, chicken wings, cheese balls, hamburgers, etc.

Recommendation:

In accordance with the City Purchasing Policy, additional quotes were solicited for and received as follows:

- | | |
|--|------------|
| 1. Multi Chef Motion Technology Inc. | \$6,000.00 |
| 2. Amana Axp Food Service Equip and Supplies | \$7,200.00 |
| 3. Tornado 2 Bolton&Hay Equipment | \$8,000.00 |

At this time, the City staff would recommend that the City Council approved the purchase of the High Speed Copoking Oven from multi Chef Motion Technology Inc. in the amount of \$6,000.00.

RE: Capital Purchase High Speed Oven
DATE: March 12, 2010

A request was made in the revised 09/10 budget to purchase a High Speed Cooking oven. This would help to fulfill our customer wants and needs of expanding the menu options at the clubhouse.

It is my recommendation that a Multi Chef 3600 is purchased. This system is the ultimate high-speed all-in-one ventless cooking system. Multi-Chef's Rotary Air Impingement technology prepares a wide variety of foods in a fraction of the time of traditional ovens without the use of Microwave. From toasting a sub to preparing a juicy steak, baking a pizza or steaming vegetables, Multi-Chef does it all without sacrificing food quality.

This piece of equipment comes with rebates with a value of \$2,000- \$4,000 in food product. These rebates come directly from the various companies who produce the product.

Price Quotes

Multi Chef Motion Technology Inc. \$6,000.00

Amana Axp Food Service Equipment & Supplies \$7,200.00

Tornado 2 Bolton & Hay Equipment \$8,000.00
