

January 13, 2009

To: A.J. Johnson, City Administrator

From: Chief Dalbey

Subject: Ambulance Chassis Bids

We have received the bids for the new ambulance chassis. The results were:

Mincer Ford                      \$ 30,638.00

Krieger Motor Co.                \$ 30,948.00

River City Ford                  \$ 31,236.24

According to City policy, local vendors whose bid is within 2% of the lowest qualified bid can be awarded the contract. On the basis of that provision, I recommend that the purchase of the ambulance chassis be made from Krieger Motor Company for \$30,948.

Please place this issue on the agenda for the January 15<sup>th</sup> City Council meeting for their approval. Thank you.
