RE: Compact Pickup Truck for Building & Zoning
DATE: June 25, 2009

On Tuesday, June 23, 2009 the City of Muscatine received bids for a 2009 Compact Pickup Truck for the Building and Zoning Department.

Bids were received as follows:

4-Wheel Drive Compact Pickup Truck

Krieger Auto Group, Muscatine, IA 2009 Chevrolet Colorado	\$20,990.00
Krieger Auto Group, Muscatine IA 2009 Ford Ranger Super Cab	\$17,850.00

I recommend the purchase of the 2009 Ford Ranger Super cab from Krieger Auto Group for \$17,850.00. The budgeted amount for this vehicle was \$20,000.00.

I would ask that this be put on the agenda for the July 2, 2009 Council Meeting.
