to me, Matt

Well... He signed it and appears to be asking for monetary assistance to move. I do not read this section as requiring assistance when we negotiate a price at all.

In any event, how does the timing look to you?

Pat, I have signed and attached the Offer. I included a possession and closing date in Paragraph #8 because I need time to close on my new building when I get back from vacation (which is now June 24th) and get my items moved out of 515.

As a side note, does Section 316 allow me to receive some minimal financial assistance to pay for "moving my junk"?

Thank you.

Greg

RE: 2nd and Mulberry Ave. Roundabout Property Acquisition

INTRODUCTION:

The agreement offered to the property owner at 515 E. 2nd Street has been signed and returned to the city. As this acquisition is critical to the construction of the roundabout the acceptance and signature of this agreement needs to be expedited so the construction of the project can be started this year. The cost of this property is \$75,000 and the city will have to bear the cost of demolition. The city will get possession of the property on August 1, 2019.

BACKGROUND:

The city has been trying to obtain this property for over two years. Once the city signs the agreement the eminent domain proceedings will continue until the City Attorney is assured that the transaction will be finalized.

RECOMMENDATION/RATIONALE:

Staff recommends that the City Council approve this agreement and direct the Mayor to sign the agreement so that the Finance Department can issue the check as soon as possible and a copy of the fully executed agreement can be put in the owner's hands.
