Re: WPCP Surplus

Renovation of the Bond and Schley Lift Stations include replacement of the furnaces. The existing furnaces may have some value and I would like the city council to declare them as surplus and we will attempt to sell them. They are both Heil 75,000 Btu furnaces that are 15+ years old but appear to be in decent shape.

Please include these on the agenda for the November 1, 2012 council meeting.
