Subject: Loading Zone - Iowa Ave.

AJ ---

The City's Traffic committee received a request to establish a loading/unloading zone on Iowa Ave. in front of the Welch Apartments. The city's policy is to allow one Loading/Unloading zone per block. Currently no such parking restriction is provided on Iowa Ave between 3rd and 2nd Streets. I visited with Nancy Lueck about removing a parking meter directly in front of the Welch Apts. and using this space as the Loading/Unloading zone. She concurred. The request was made because it is much more convenient for the elderly residents of the Welch Apts to access their living spaces via the elevator when they have items to carry (i.e. groceries etc.) from Iowa Ave. rather than the back parking lot. If you have any questions, please contact me.
