CITY OF MUSCATINE SMOKING POLICY

The State of Iowa has expanded the laws on smoking which prohibits smoking in public places and provides a penalty for non-compliance.

The City of Muscatine wants to provide a safe, healthy, comfortable environment for all employees and citizens. The Surgeon General's warning, the Iowa State Legislature's enactment of the Prohibitive Smoking Law and our concern for the health of all City employees indicate the need for this policy.

All members of the visiting public and all employees are expected to comply with the smoking regulations detailed in this policy.

The Policy

Smoking and use of tobacco products is prohibited in all buildings and on the grounds of buildings owned and operated by the City of Muscatine*. Smoking and use of tobacco products is prohibited inside the fenced areas and on the immediately adjacent grounds of the Muscatine Soccer Complex, Kent Stein Park, Weed Park Aquatic Center, and Musser Skateboard Park. In addition, smoking is prohibited on playground equipment and a ten (10) foot buffer zone around the playground equipment, at park shelters and inside Riverview Center, Pearl City Station, and the Municipal golf course club house and on the grounds immediately adjacent to these facilities. Smoking will be allowed for members of the general public on the golf course itself and in open areas of the park. Employees may not smoke in these areas during regular duty hours, but may do so during break periods. (**Public housing units are governed by policies set out by the Housing Authority.*)

Smoking and use of tobacco products is prohibited in all city vehicles. Smoking in parking lots is also prohibited, unless the employee is inside his/her personal vehicle. Leased parking lots and metered parking are excluded from this policy. The only exception to this policy will be certain undercover police vehicles that are excluded from the law

Employees are expected to refrain from smoking during their normal work hours. Smoking during breaks and lunch periods must take place off of city property or inside personal vehicles.

Violation of the city's smoking policy shall be dealt with in accordance with the city's progressive disciplinary policy.

Employee Smoking Cessation Assistance

The City of Muscatine will provide financial assistance to employees and spouses who are currently smokers but wish to become non-smokers by participating in a smoking cessation class.

The city will reimburse employees for 100% of the total cost and reimbursement to a spouse for 50% following successful completion of the program. The reimbursement applies only to classes and not to other smoking cessation aids.
