Subject:

Randy – MuscaBus has received an agreement from DOT for the purchase of 10 rear-vision cameras for the buses. Low bid for the cameras was \$5745. Federal funding will pay for 80 % of the purchase price or \$4596. Local funds will pay for 20% of the purchase price or \$1149. Please ask City Council to approve a purchase order to F.S.S.. Inc. for \$5745 for the purchase of the cameras. Thanks, Ann
