SUBJECT

Request to issue purchase order for a Circul-Air Roto Jet Hose Washer

EXECUTIVE SUMMARY

Presented for City Council’s consideration is a request to approve the issuance of a purchase order in the amount of \$13,298.00 to The Fire Store for the purchase of a Circul-Air Roto-Jet Hose Washer. We have \$ 14,000 budgeted for this capital outlay purchase.

STAFF RECOMMENDATION

The recommendation is to purchase a new fire hose washer. We are unable to purchase replacement parts for the old hose washer that is more than 34 years old.

BACKGROUND/DISCUSSION

This fiscal year, \$14,000.00 was budgeted for replacing the existing hose washer. After researching vendors, we were able to find one that still supplies a portable hose washer unit for washing and cleaning all sizes of fire hose.

CITY FINANCIAL IMPACT

The budgeted amount in capital outlay for this purchase is \$14,000.00. The hose washer can be purchased for \$ 13,298.00. This included shipping. This purchase will be under budget by \$ 702.00.
