

**AGENDA ITEM SUMMARY** DATE: City Council July 19th, 2022

**STAFF**

---

Gary Ronzheimer, Battalion Chief Ambulance Operations

Jerry Ewers, Fire Chief

**SUBJECT**

---

Declaration of surplus ambulance.

**EXECUTIVE SUMMARY**

---

Presented for council's consideration is a recommendation to declare one ambulance as surplus property.

**STAFF RECOMMENDATION**

---

Staff is recommending the council approves the items as surplus.

**BACKGROUND/DISCUSSION**

---

The Muscatine Fire Department has taken on one new ambulance; this has rendered one older ambulance surplus item with little to no value. Once declared surplus the City will attempt to donate the ambulance to Ukraine to assist in serving the citizens during their war with Russia. This would be donated through the organization Ukrainian Medical Association of North America. If the donation is not accepted or would not occur for some reason, then the ambulance would go to the city auction.

**CITY FINANCIAL IMPACT**

---

The ambulance has minimal value due to age and mileage.
