### SUBJECT

---

Declaration of surplus ambulances.

### EXECUTIVE SUMMARY

---

Presented for council's consideration is a recommendation to declare two old ambulances as surplus property.

### STAFF RECOMMENDATION

---

Staff is recommending the council approves the items as surplus.

### BACKGROUND/DISCUSSION

---

The Muscatine Fire Department has taken on two new ambulances; this has rendered two older ambulances surplus items with little to no value. Once these are declared surplus the City will attempt to donate the two ambulances to Ukraine to assist in serving the citizens during their war with Russia. This would be donated through the organization Ukrainian Medical Association of North America. If the donation is not accepted or would not occur for some reason, then the ambulances would go to the city auction.

## CITY FINANCIAL IMPACT

---

The two ambulances have minimal value due to age and mileage.
