SUBJECT

Request to Issue a Purchase Order to Bayfield Snow Removal for snow removal and hauling in the Central Business District (CBD)

EXECUTIVE SUMMARY

Submitted for Council Approval is a request from the Public Works Department for a purchase order for the 2022/2023 Central Business District Snow Removal and Snow Hauling. This includes the City Parking Lots and the Riverfront. This year we are seeing another hourly rate increase due to higher fuel prices. There is \$50,000.00 in the Snow and Ice Budget allocated for this purchase.

STAFF RECOMMENDATION

Staff recommends Council approve Bayfield Snow Removal's bid for Snow Removal in the CBD for the 2022/2023 winter season.

BACKGROUND/DISCUSSION

Every year, Public Works requests bids from companies to remove and haul away snow from the Central Business District. This includes the city parking lots and the riverfront.

City Staff received one bid on September 14, 2022. The bid was from Bayfield Snow Removal of Muscatine, Iowa. Bayfield Snow Removal raised their prices due to the rising cost of fuel. Last year's total cost was \$700.00 per hour. This year's proposed total cost is \$765 per hour. I recommend we accept the bid prices from Bayfield Snow Removal. The budgeted amount for this operation is \$50,000.00.

CITY FINANCIAL IMPACT

Funding is from the Road Use Tax Fund. This was approved by the City Council during the 2022/2023 Budget Meetings as part of the Snow and Ice Budget.
