SUBJECT

Request to Approve a Purchase Order to Boland Recreation for 4th Street Park and Weed Park Playground Platform Replacements

EXECUTIVE SUMMARY

The Parks and Recreation Department requests approval for the replacement of the playground platforms at 4th Street Park and Weed Park Rose Garden playgrounds. Both playgrounds were installed with Miracle playground equipment and three vendors were solicited to provide quotes for the cost of equipment, removal and installation of the Miracle playground platforms, with the lowest quote from Boland Recreation for a total of \$70,492.

STAFF RECOMMENDATION

City staff recommend approval.

BACKGROUND/DISCUSSION

The 4th Street Park and Weed Park Rose Graden playgrounds were installed in 2002. The pvc coating on the platforms have severe cracks and are rusting, causing potential safety issues on these surfaces. The Musser Park and Fuller Park playground platforms were replaced in 2022 with great results.

Three quotes were received for playground platform replacement on these two playgrounds with the following results:

Boland Recreation - \$70,492
Hutchinson Recreation - \$78,500
Weber Recreation - \$83,327

CITY FINANCIAL IMPACT

In the FY22/23 Park Maintenance budget, \$70,000 was approved for the Playground Platform Replacements. The remaining \$492 can be funded from the Park Maintenance budget.
