

MEMORANDUM

DATE: August 23, 2004
FROM: Don Freel, Director WPCP
TO: A. J. Johnson, City Administrator
SUBJECT: Surplus Drag Hose

The Water Pollution Control Plant Sludge Operations has a buyer for 683 feet of 4 ½" drag hose. This is a repaired surplus used hose that we have taken out of service. To enable the sale we are asking Council to declare this hose as surplus material.

Please let me know if you need further information.
