### STAFF RECOMMENDATION

---

Staff is recommending approval of said vehicle as surplus.

### BACKGROUND/DISCUSSION

---

This vehicle #749 is currently being replaced with a new Chevrolet Tahoe which is being purchased from Karl Chevrolet Inc., who holds the state bid for this type of vehicle. We are requesting vehicle #749 to be traded to Karl Chevrolet Inc. and the credited amount be allowed to be used towards the purchase of future police vehicles.

### CITY FINANCIAL IMPACT

---

Trading this vehicle allows the city to maximize the value of this vehicle's worth. Auctioning this vehicle would most likely result in a lower vehicle value and less money for the City based on the trade in value of previous vehicles by this dealer.
