ITEM NUMBER 2024-0103

AGENDA ITEM SUMMARY

DATE: 3/21/2024

STAFF

David Popp, Solid Waste Manager

SUBJECT

Request To Approve the Issuance of a Purchase Order in the Amount of \$234,900.00 to Elliott Equipment of Davenport for the Purchase of a 2024 Rear Load Refuse Truck.

EXECUTIVE SUMMARY

For Council consideration is a request to approve the issuance of a purchase order to Elliott Equipment in the amount of \$234,900.00 for a 2024 rear load refuse truck.

STAFF RECOMMENDATION

Staff recommends Council approve the issuance of a purchase order in the amount of \$234,900.00 to Elliott Equipment for the purchase of a 2024 rear load refuse collection truck.

BACKGROUND/DISCUSSION

The City of Muscatine Solid Waste Division uses three automated collection and three rear-load collection trucks in the daily operations of collecting both residential and commercial refuse in Muscatine and Fruitland. These trucks operate in what is considered severe use conditions, with the goal of the division to replace these trucks on a ten year or less cycle. In the revised 2024 budget, a 2009 Freightliner truck with a New Way rear load packer body has been approved for replacement. This truck has significant rust and mechanical issues and has become undependable for daily use. The goal of the division is to keep the six large trucks used in the daily refuse collection operations the same make and model of cab and chassis and packer body make and models the same. This helps with parts and service and operator training being consistent. Quotes were taken for this truck from Elliott Equipment of Davenport for the amount of \$243,500.00 and from the Sourcewell purchasing site for the amount of \$234,900.00. Elliott Equipment was also the vendor through Sourcewell.

CITY FINANCIAL IMPACT

There is \$230,000.00 in the FY24 budget for this purchase. The remaining \$4,900.00 will be funded from the sale of the 2009 truck that is being replaced.
