### SUBJECT

---

Request to Approve the Issuance of a Purchase Order to Nevco, in the Amount of \$12,558.00, for the Purchase of Two Soccer Scoreboards.

### EXECUTIVE SUMMARY

---

Presented For City Council's consideration is a request to approve the issuance of a purchase order to Nevco, in the amount of \$12,558.00 for the purchase of two soccer scoreboards. There was a revision in the FY23/24 budget for the replacement of the scoreboards in the amount of \$14,000. Three bids were received and Nevco was the lowest bid.

### STAFF RECOMMENDATION

---

At this time, the City staff would request that the Muscatine City Council approve a purchase order to Nevco for the purchase of two(2) scoreboards for a total of \$12,558.

### BACKGROUND/DISCUSSION

---

A request was made to replace the existing scoreboards. We have been troubleshooting both boards with the manufacturers. The boards need new control components. We have control issues, from keeping time to segments of the numbers missing. The segments for the numbers are not available for these units due to their age. The staff changed out all the cables on the scoreboards to try to solve problems, with no success. During discussions with the supplier, they suggested that a new board would be better than trying to change wiring harnesses and control boards, as we would have similar costs to repairing existing ones. The scoreboards are used by Muscatine High School boys and girls soccer teams, both JV and Varsity. The existing boards were purchased in the late 1990s.

### CITY FINANCIAL IMPACT

---

The cost of the two new scoreboards is \$12,558 and is within the current revised budget revision of \$14,000.00.
