**INTRODUCTION:** The: Section 368.7 of the Code of Iowa sets out the procedures that a city must follow when processing a request for voluntary annexation.

**BACKGROUND:** The Parkview Condominium Association (in 2011) and the Irish Ivy Subdivision (in 1999 as part of a recorded restrictive covenant) have signed voluntary annexation agreements with the City of Muscatine. The City of Muscatine has extended sanitary sewer to serve the areas being proposed for annexation as was required by both these annexation agreements. Staff has initiated the process to annex these areas in accordance with the voluntary annexation agreements. Additionally the annexation of a 1.8 acre municipally owned parcel located directly the south containing a multi-use trail is being proposed

This proposed annexation covers 16 acres, contains 28 existing homes, and would add an estimated 68 people to the population of the City of Muscatine

The application was reviewed and recommend for approval by the Planning and Zoning Commission at their February 14, 2012 Meeting. The City Council will be provided a further update on this proposed voluntary annexation at the March 8, 2012 In-depth meeting, Prior to any further action on this request, it is necessary for the City Council to set a public hearing and for notice to be provided to all adjacent property owners, utility provides, township trustees, and the Muscatine County Board of Supervisors. The Code of Iowa all requires the Board of Supervisors be given written notice 14 business days prior to any action by City Council on the application for voluntary annexation
