

City of Muscatine Employment Agreement
2012 Amendment

Amended Section 8.

6. Technology: As part of Employee's compensation, the Employer shall provide Employee with a laptop computer and related software required for the Employee to perform the job and to maintain communication. Should Employee leave City employment within two years of purchase of the computer, Employee shall reimburse Employer the prorated cost of the computer.

Employer shall provide Employee with a laptop computer and related software required for the Employee to perform the job and to maintain communication. Upon separation or replacement of computer equipment, Employee may purchase existing computer equipment at a purchase price to be determined by the Finance Director.

IN WITNESS WHEREOF, the City of Muscatine has caused this agreement to be signed and executed on its behalf by its Mayor, and duly attested to by the Finance Director, and the Employee has signed and executed this agreement, both in duplicate, effective November 1, 2012.

Dewayne Hopkins, Mayor

Gregg Mandsager, Employee
