Subject: Salt Shed Cover

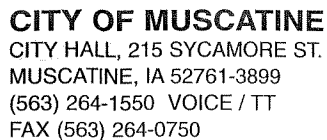

AJ -

On Thursday, October 14, 2004 the City of Muscatine took bids for a Salt Shed Cover to be installed on a foundation. Two bids were received:

Friedman Distributing Inc. Cover-all Building Systems	\$33,664.69
A & B Construction Winkler Canvas	\$32,549.20

\$60,000 has been budgeted for this purchase. The balance will be used to install the foundation using the City Contractor and Public Works Staff. The purpose of the cover is to shelter the salt from the weather before it is used.

We recommend issuing a Purchase Order to A & B Construction for \$32,549.20. If you have any questions, please contact me.
