Dear Resident:

Yesterday we stopped by your house with a petition we are circulating, requesting that the city of Muscatine resurface Woodlawn Ave. and put an additional stop sign at the corner of Woodlawn and Oak. At that time you were not home.

Fifty three of your neighbors have already signed this petition and if you would like to add your voice to theirs, please sign below and return in the enclosed stamped envelope to me. We are hoping to send this on to the City Council in about 2 weeks so your prompt response is appreciated.

Thank you.
