

We the undersigned pray for the State to grant Herkys Tap in Muscatine, Iowa their liquor license. Herkys Tap has been an establishment in Muscatine, Iowa for over 30 years. They have made several contributions to the community by means of the Vietnam Vets, ABATE, and benefits that they have sponsored. They also take time out of their busy schedule to help with the TOYS FOR TOTS. Many children would not have a gift for Christmas if it was not for these Vets. Herkys Tap has a children's Christmas Party and Easter Egg Hunt every year for children. In the past 30 years there has never been an issue and we hope that the State will recognize all the contributions that this establishment makes to the community.
