Cc: Hill, Randy
Subject: FW: Cleveland Street Closure

AJ,

We discussed adding this street closure to the utility vacation item for Thursday's council mtg. Please discuss w/ Randy Hill.

Jon Lutz

Subject: Cleveland Street Closure

Randy, Randy and Henry,

After discussion with Wendy's contractor and consideration of traffic accident concerns and pavement cure time I have concluded that Cleveland Street should be completely closed and repaved with 3 day's cure time. I recommend 2 of the 3 days be a weekend. The option on the table is to close the street at 6 pm Thursday August 28th and open 7 AM Monday September 1, which is Labor Day. There will be inconvenience any way we do it. With this option all inconveniences are limited to 3 days.

The Contractor shall place a closure completely across the Cleveland entrance at Park Ave. Barricades will be placed in the Park Ave left turn lane onto Cleveland. Road Construction ahead shall be placed on the northbound Park Ave shoulder south of Cleveland indicating access from US 61 only. Barricades shall be placed west of the Taco Bell entrance onto Cleveland. Wendy's and KFC will both enter and exit onto Cleveland on the east side of Wendy's.

The contractor is responsible for notification of adjacent businesses regarding the closure.

Let me know if you have any recommendations otherwise,

Jon

Subject: Cleveland closure, Council Item 12D

Fran,

The Wendy's representative Steve Ryan would like to change the closure date for Cleveland street to better accommodate local business. The new closure time is "beginning at 6 p.m. Monday September 1st, 2008 until 7 a.m. Friday September 5th, 2008." I am OK with changing the time. Please modify both paragraphs of council items 12D accordingly.

Thanks,

Jon Lutz
