M. [Request to Approve Change Order #1 for the Grandview Avenue Reconstruction Project Contract with Heuer Construction, Inc.](#)

Bolton-Menk, Inc., the design consultant on this project, has been retained by the City to assist with Construction Administration of the Grandview Avenue Reconstruction Project. However, the Contractor had also contracted with Bolton-Menk, Inc. to perform the Construction Survey work as well. This creates a conflict of interest. Therefore, at the advice of the Iowa DOT Auditor, the Construction Survey is to be removed from the contract via change order. It will be added to the Bolton-Menk, Inc. contract for Construction Administration services with the City. This project was let by the Iowa DOT, therefore the City is obligated to follow their processes and procedures.

Is there a motion to approve this request as submitted?

N. [Request to Amend the Contract to Assist with Construction Services for Grandview](#)

[Avenue Reconstruction Project](#)

The Grandview Avenue Reconstruction Project includes funding from the Iowa DOT and their processes for Construction Phase Services must be followed. During the Preconstruction Meeting, it was discovered that Bolton & Menk was selected by the contractor to perform the construction survey work for this project. Bolton & Menk are already under contract with the City to perform Construction Administration causing a conflict of interest. To avoid this conflict, the Construction Survey pay item will be removed from the Construction Project and added to Bolton & Menk’s contract with the City. The contract amendment will be on an hourly basis with a “not to exceed” total of \$82,460.00. This contract will be for the duration of the entire project and includes Construction Survey and Layout

- O. [Request for Direction from City Council to Proceed with the Preparation of a Lease on a Portion of the Muscatine Municipal Airport Property for the Development of a Solar Generating Facility](#)

In March of 2021, Muscatine Power and Water released a request for proposals (RFP) to solar developers for the development of a 30 Megawatt solar generation facility. As part of a response to this RFP, the City has been approached by SolarStone Development LLC, about leasing a portion of the Muscatine Municipal Airport property, as a site for the development of a solar generation facility.

This area is currently not used for airport operations and is leased out for agriculture purposes. This lease expires in 2022. SolarStone is offering to pay the City an annual rent of \$1,500 per acre per year, with an annual escalator of 1% over the term of the proposed 35-year lease. If there were consensus of Council, that such a lease on these terms would be beneficial to the City, a lease agreement and resolution approving said lease would be brought before City Council for approval at a later date.
