Kimberly Fowler

Muscatine, IA. 52761

Kimberly Fowler,

This letter is to inform you that the City of Muscatine received a complaint that you are keeping, sheltering, or harboring a vicious animal on the premises in the City in violation of this chapter and that the Muscatine Police Department has performed an investigation into the matter.

On 5/7/2022 pit-bull/rottweiler mix Max bit a juvenile in the city of Muscatine. On 7/13/2022 Max attacked a mother and her two children walking on the street. Max was not contained in both instances. Max is not vaccinated for rabies and not registered with the city.

Due to the threatening and aggressive manner of Max ; Chief of police, Brett Talkington, and Animal Control officer Patel feel it is in the best interest for public safety that Pitbull/Rottweiler mix, belonging to Kimberly Fowler, be deemed Vicious under Muscatine City Code. Max is a black and tan adult male pit-bull/rottweiler mix.

Pursuant to the City of Muscatine Code of Ordinances Chapter 6-8-9C your dog has been deemed viscious and must comply with the restrictions placed. You have three (3) days after receipt of this letter to file an appeal. Failure to file such written notice of appeal shall constitute a waiver of right to appeal the order.

The notice of appeal shall state the grounds for such appeal and shall be delivered personally or by certified mail to the City Clerk. Penalties for violation of 6-8-9 may be punishable by fine and imprisonment of the owner, and possible destruction of the dog.

Respectfully,

Brett Talkington
Chief of Police

I Kimberly Fowler am writing to state that my dog Max is not a vicious animal. The kid who was bit had been running on both sides of my house teasing both of my dogs then went to run through on one side when Max jumped on him. A friend of the family witnessed this and was the one to pull Max up off the kid. Max was on his chain the whole time and still was when I got home that day. when the officer who told us about what had happened showed up. My dog was not at large and restrained. The second instance I really can't explain because even though I was very near what happened I didn't see it. My mother who has dementia had walked in the house and he got out most likely looking for me but I was in the car. Max is my ears I'm deaf he lets me know when someone is at the door or outside. When a kid broke in my home a few weeks ago and it was Max in his kennel at the end of my bed barking and banging his kennel against the end of my bed where his night time kennel is. That's the only reason I woke up to find the kid outside my bedroom door. I'll do what it takes to keep Max. I was issued fines for no rabies tag and no city registration tag I plan on getting those after the first of Aug when I

get paid again. I'm enclosing Mat's last vet report. He had his rabies shot before but when I took him to the vet at that time he was so sick to get his new one. Maxi's a family member not just my dog.
