## AGENDA ITEM SUMMARY

DATE: 2/1/2024

### STAFF

Anthony Kies, Police Chief

### SUBJECT

---

Request to Approve Declaration of City Vehicle as Surplus and to Authorize Said Vehicle to be traded through Karl Chevrolet Inc

### EXECUTIVE SUMMARY

---

Staff is recommending the following vehicle be declared as surplus, so it can be disposed of by trading it through Karl Chevrolet Inc. Chevrolet Tahoe #746

### STAFF RECOMMENDATION

---

Staff is recommending approval of said vehicle as surplus

### BACKGROUND/DISCUSSION

---

This vehicle #746 is currently being replaced with a new Chevrolet Tahoe which is being purchased from Karl Chevrolet Inc. , who holds the state bid for this type of vehicle. We are requesting the vehicle #746 to be traded to Karl Chevrolet Inc. and the credited amount be allowed to be used toward the purchase of the installation cost material for the new police vehicle.

### CITY FINANCIAL IMPACT

---

Trading this vehicle allows the city to maximize the value of this vehicle's worth (\$10,850 offered trade in price). Auctioning this vehicle would most likely result in a lower vehicle value and less money for the City based on the trade in value of previous vehicles by this dealer.
