Re: Resolution accepting completed work and authorizing final payment - Airport Hangar Area Improvements Project Phase I Paving

INTRODUCTION & BACKGROUND:

The City of Muscatine accepted a grant from Iowa DOT to provide funding for the Airport Hangar Area Improvements Project Phase I Paving. The IDOT funds 85% of the total project cost.

Following the preparations of plans and specifications, the project was bid and a contract was awarded to Muscatine Bridge Co., Inc. in the amount of \$211,241.00. One change order totaling \$12,728.25 was approved, bringing the contract total to \$223,969.25.

The project was substantially complete in the Fall of 2017 but the contract was left open to potentially fund minor spring soil restoration and seeding.

RECOMMENDATION: All work has been completed and is ready for final acceptance by the City. It is recommended that the City Council take action to approve the attached resolution accepting final work and authorizing the final retainage payment to Muscatine Bridge Co., Inc. for the work performed on the Airport Hangar Area Improvements Project Phase I Paving.
