MEMORANDUM

To: Mayor and City Council Members
 Cc: Greg Jenkins, Interim City Administrator
 From: David Popp, Solid Waste/Collection and Drainage Manager
 Date: July 30, 2020
 Re: Crane Grapple Replacement Purchase

Recycling Center
 Transfer Station
 Landfill Operations
 Refuse Collection

Introduction:

The City of Muscatine owns and operates the Muscatine Transfer Station. This facility accepts both residential and commercial solid waste at an average of forty five thousand tons annually. Solid waste dumped on the Transfer Station tipping floor is then loaded into trailers and hauled to the Muscatine County Sanitary Landfill. One of the pieces of equipment used to load the trailers is a crane with a grapple bucket attachment.

Background:

The purpose of this purchase request is to replace the grapple attachment on the load out crane. The crane and grapple were purchased in January of 2014. The grapple attachment is worn out from normal daily use, the grapple jaws are one piece welded units and replacement parts are not an option.

Recommendation/Rationale:

Staff recommends that the council approve the issuance of a purchase order in the amount of \$10,275.04 to Builtrite Handlers and Attachments for the purchase of a replacement grapple bucket. This purchase has been budgeted for in FY 2021 in the Transfer Station Operating Budget.
