
MEMORANDUM

TO: RANDY HILL, PUBLIC WORKS DIRECTOR
FROM: RANDY HOWELL
SUBJECT: MUDJACKING QUOTES
DATE: AUGUST 16, 2004

On May 13, 2004, the City of Muscatine received a bid from Miracle Mudjacking Company for work to be done during fiscal year 2003/04. Other companies were also contacted, but did not submit bids. I have made every attempt to find another company specializing in mudjacking to submit a bid, but have not been successful.

The bid price, which we received from Miracle Mudjacking, is the same price we received back in 2002. I believe the \$145.00 per hour with no mobilization fee is a fair price. Therefore, I recommend that the City of Muscatine accept this bid.

Budgeted amount for mudjacking was \$15,000 in fiscal year 2003 and \$15,000 in fiscal year 2004/05. The \$15,000 from 2003 was carried over which allows the Roadway Maintenance Budget \$30,000 for this work to be done. Miracle Mudjacking has completed mudjacking work many times for us in the past and has done an exceptional job.

If you have any questions, please contact me.
