Following the call to order, the Mayor turned the meeting over to City Administrator Mandsager who provided a background and overview of ground rules concerning the process Council would be going through over the next several days. Building from the initial presentation made to City Council on January 26, 2012, City Administrator Mandsager provided a brief overview once again of the proposed budget for fiscal year 2012/2013.

The City Administrator then proceeded to provide an overview of financial information in the budget book. The departments that were covered that day for review were Human Resources, Risk Management, Information Technology, Police Operations, Animal Control, Fire Operations, Emergency Management, Library Operations, Cable Operations, Mayor and Council, Legal Services, Art Center Operations, City Administrator and Finance.

During the discussion of the Police and Fire operations, there was discussion concerning additional personnel not included in the proposed budget.

In addition, a number of questions and issues were discussed by Council within each of the other categories. Items were noted for future discussion.

Also in attendance were various Board members from the Art Center Board of Trustees as well as the Library Board of Trustees. Both the library and art center spoke on their proposed budgets.
